### **About ProvenExpert**

Together with Remo Fyda as CEO, ProvenExpert.com has become one of the best-known online platforms for qualified customer feedback and review aggregation in the region of Germany, Austria, and Switzerland. Since 2011, the referral marketing platform offers targeted industry surveys that companies can customize and use in a matter of minutes to start collecting feedback from customers. The surveys provide detailed insight into the needs of customers and their satisfaction levels, as well as helping to uncover new business potential. The resulting feedback can be easily used for online marketing purposes with ProvenExpert's rating seal and profile and combined with customer reviews from over 360 websites like Facebook, Google, and other platforms. Nearly 50,000 freelancers, entrepreneurs and large companies use ProvenExpert.com's online surveys to collect customer feedback. As of 2017, the ProvenExpert platform is also available in English.
